

Cranway Downs Civic Association  
Executive Board Meeting  
1/22/81

(1)

Dan Phillips called the meeting to order.

Jan Nelson, Dave Johnson, Stewart Sharp, Marianne Gick, Pat Mostrolev, Mike Ann and Harry Rodriguez were in attendance.

Marty Sowers was absent - so Dan Phillips read the minutes of the last meeting.

*abstention* Dan Phillips made a correction to the minutes which had indicated that there had been a unanimous vote not to support the Boys Scout troops. Dan noted that Charlie Savick abstained from voting.

The minutes were then approved as amended.

Jan Nelson volunteered to take minutes for the meeting.

OLD BUSINESS

Boy Scouts - several of the members of the executive board were brought up to date on the decision passed last month - not to support a boys scout troop #677. - It was agreed that the troops meeting at St. James and the Holy Trinity Churches would be reasonable alternatives for interested families. Marianne Gick intends to include <sup>information about</sup> the church troops in the next issue of the Downs.

Cards - Anastasia Nordwall, corresponding secretary has not been advised of

Jan Nelson, Dave Johnson, Stewart Sharp, Marianne Gick, Pat Mostrolier, Mike Am and Henry Rodriguez were in attendance

*abstentions* Dan Phillips made a correction to the minutes which had indicated that there had been a unanimous vote not to support the Boys Scout troop. Dan noted that Charlie Savich abstained from voting.

The minutes were then approved as amended. Jan Nelson volunteered to take minutes for the meeting.

### OLD Business

Boy Scouts - several of the members of the executive board were brought up to date on the decision passed last month - not to support a boys scout troop #697.

- It was agreed that the troops meeting at St. James and the Holy Trinity Churches would be reasonable alternatives for interested families. Marianne Gick intends to include <sup>information about</sup> the church troops in the next issue of the Downs.

Cards - Anastasia Nordwall, corresponding secretary has not been advised of her new responsibilities.

Dan Phillips will have Marty Sowers advise Anasta.  
- It was mentioned that Supervisor Jim Scott recently had an eye operation - a card will be sent to him.

(2)

## New Business

Stewart Sharpe expressed his concern about excessive amounts of automobile parts in the yards of several homes in the community, particularly on Marshall street.

- A discussion ensued -
  - Stewart Sharpe desired pressure from the Association on the guilty individuals
  - Dan Phillips felt it was a neighborhood matter - to be dealt with on a one on one basis or a police matter.
  - Conclusion - An article will be placed in the Douns about community pride for cleanliness & the county's regulations restricting the amount of litter a person has the right to live with.
  - A Cleanup campaign will be scheduled for this Spring - date not set.

V. I. T. A. Volunteer Income Tax Assistance program  
Dave Johnson advised the board that IRS is sponsoring a free program to assist taxpayers with their income tax statement. He and other volunteers will be available Feb 1 - April 15 at the Jefferson Library.  
- a notice will appear in the Douns -

excessive amounts of automobile parts in the yards of several homes in the community, particularly on Marshall street.

- A discussion ensued.

- Stewart Shoyce desired pressure from the Association on the guilty individuals.

- Dan Phillips felt it was a neighborhood matter - to be dealt with on a one on one basis or a police matter.

- Conclusion - An article will be placed in the Downs about community pride for cleanliness & the county's regulations restricting the amount of litter a person has the right to live with.

- A Clean Up campaign will be scheduled for this Spring - date not set.

V. I. T. A. Volunteer Income Tax Assistance program.

Dave Johnson advised the board that T & A is sponsoring a free program to assist taxpayers with their income tax statement. He said other volunteers will be available Feb 1 - April 15 at the Jefferson Library.

- a notice will appear in the Downs -

### Memberships

Stewart Shoyce proposed: That the civic association not have another membership campaign until the NEW campaign begins for the fiscal year 81 & 82 effective July 1, 1981.

Second - Make Ann

Board Vote - All yes

(membership-coast)

Pat Mastrolero volunteered to be the chairman of the membership drive if he got help.

Jan Nelson suggested issuing the Fairfax County Citizen hand book to new members during the membership drive. The Board agreed. Jan will check out the availability of the books from the County.

Electric Engraver (electric pencil)

what ever happened to them?

Marianne Rich will pose this question to the community in the next issue of the Downs, and ask that the tools be returned to Dan Phillipis. ASAP.

Neighborhood Watch

Pat Mastrolero will invite Mr. Mooney to speak to the Board next month, if Mr. Mooney is still interested in the project.

Greenway Down Park development

Dan Phillipis will draft a letter to the Park Authority to request a status report of the project and expected completion date.

The meeting was adjourned

Pat Masrowicz volunteered to be the chairman of the membership drive if he got help.

Jan Nelson suggested issuing the Fairfax County Citizen hand book to new members during the membership drive. The Board agreed. Jan will check out the availability of the books from the County.

### Electric Engraver (electric pencil)

What ever happened to them?

Marianne Fick will pose this question to the community in the next issue of the Downs, and ask that the leads be returned to Dan Phillips ASAP.

### Neighborhood Watch

Pat Masrowicz will invite Mr. Mooney to speak to the Board next month, if Mr. Mooney is still interested in the project.

### Greenway Down Park development

Dan Phillips will draft a letter to the Park Authority to request a status report of the project and expected completion date.

The meeting was adjourned

Next meeting - scheduled for Feb 24, 1981 8pm  
Location not determined - Marty will advise Board members.

Respectfully submitted Jan Nelson

Greenway Downs Citizens Association  
Executive Committee Meeting  
Marianne Gick's House  
February 24, 1981

The meeting began at 8 p.m. The minutes were read and approved with one correction. Jan Nelson reported that the County had informed him that the Citizen's Handbook was not available in any quantity (so we will be unable to distribute them to new residents.)

The engraver is ~~still missing~~, <sup>Found</sup> also a Santa suit. <sup>is still missing</sup> We will continue to advertise in the Downs.

Plans for the pot-luck dinner and election of officers were discussed next. Two nominating committees will be needed, one for the officers and one for the outstanding citizen. Henry Rodriguez was suggested to head the former and Bernie Lucas, the latter. The date for the event was set for Wednesday, May 20. Marty Sowers will check to see if the cafeteria at Devonshire is available. There is as yet no one to head the committee.

Mary Millsback mentioned the possibility of the Red Cross conducting CPR classes (cardio-pulmonary resuscitation) for our community. She will check to see if this is possible.

Marianne Gick moved that we send a copy of the Downs to Jim Scott, Dan Phillips seconded and the motion carried. The corresponding secretary can handle this. It was pointed out that Anastatia Nordwall will be moving in March and will need to be replaced. The Rosenthals position on the board is also vacant and will need to be filled. The nominating committee will take care of this when it meets next month. Dave Johnson was mentioned as a possible candidate for the position of director.

Marianne noticed missing street signs on Cameron, George Mason and Woodlawn. Mike Arm mentioned a number to call in the Directory 273-0660. For missing street lights, call VEPCO at 683-0900. The County handbook might also list a number. She also noted that it had been reported to her that cars on Marshall speed up in order to catch the green light at Lee Highway. She wondered if the light could be tripped to change when a car comes so the wait wouldn't be so long. Dan Phillips replied that the state would not do this unless there was a major accident or sufficient traffic. Marianne will check.

Marianne asked if the trash cans down by the basketball court were emptied on a regular basis. Jan Nelson has seen them emptied by the Park Authority during the summer.

A date was set for the park clean-up, April 25 at 10 a.m. Marty Sowers will call the Park Authority and make sure they will be available to pick up the debris. We hope the PA will provide bags. Marianne will use last year's article for the Downs. May 2 is the rain date. May 1 will be the general clean-up day when County trucks come through to pick up large unwanted items. Jan Nelson will set this up.

Marianne reported that only six people responded to her article on the baby-sitting co-op but she might try again.

of last year

Executive Committee Meeting  
February 24, 1981  
Page 2

Under new business, Mary Millsback mentioned that her six-year-old had asked why there were no markers on the trails which criss-cross the neighborhood. This land is County property. Mike Arm noted that two children were hit by cars on Cameron Road as they came off the dirt trail onto Cavalier on their bicycles without stopping. They came directly into the paths of oncoming cars. This might be mentioned in the Downs as a warning to motorists.

Discussion followed about the probability of stopping speeding on Summerfield with Dan remarking that the prevailing rate of speed is now the speed limit.

A motion was made and seconded to adjourn the meeting. All were agreeable and the meeting adjourned at 9:25 p.m.

The next meeting will be held on March 26 at 8 p.m. at Jan Nelson's house, 6805 Cavalier Trail.

Respectfully submitted,

Elling C. Reich

Treasurer

Greenway Downs Citizens Association  
Executive Committee Meeting  
Jan Nelson's House  
March 26, 1981

The meeting began at 8 p.m. The minutes were read and approved with two corrections.

On CPR classes, Mary Millsback reported that two people and a potential instructor who she was unable to contact again, expressed interest. Pat Mastroleo mentioned that Bailey's Cross Roads Fire House has good courses 9:30 to 12:30 on Saturday. Another article might go in the Downs.

Dan Phillips read the treasurer's report dated February 12, 1981. Balance on hand is \$434.52.

About neighborhood trails, Marianne Gick called the county and found the agent responsive to doing work on the trail between Cameron and Greenway (and the work was done). He told her that more people are made unhappy than happy when work or modifications are made on trails. After discussion, the matter of trail markings was dropped. Three street signs are missing on Custis. Dave Johnson remarked that on Winchester, people have put up fences blocking the trails. This item could be put on the agenda for a general meeting. Work on trails may be torn up when curbs and gutters go in.

A motion was made and seconded to elect Dave Johnson of Winchester Way to the Director's post vacated by the Rosenthals. The motion carried.

Pat Mastroleo reported a continual disturbance near his house on the trail between Greenway and Cameron with kids gathering at night. It is a source of aggravation and lots of litter. This is another item for the agenda of a general meeting.

On the pot luck dinner, Marty Sowers reported that the Devonshire Cafeteria was unavailable because the tables and chairs had been removed. She further stated that she would not sign the form because it implies that the undersigned must personally take responsibility for damages. The form was for the use of Timber Lane School cafeteria, the next choice after Devonshire. A county agent informed her that serious accidents have happened at similar events held at county facilities. Another alternative is the Falls Church Community Center for which we might have to pay a fee. If this is unavailable and Timber Lane is the only choice, Randy Myers suggested a one-time liability policy to cover the event.

The park clean-up is set for April 25 at 10 a.m. Jan Nelson is to set up a general clean-up of the neighborhood with a truck coming around on May 1.

The board decided that Pat Mastroleo and Mary Millsback's terms run through 1981. Therefore they are up for election. Randy Myers is the federation delegate whose term expires this year. The Rosenthals term runs through 1982.

Executive Committee Meeting  
March 26, 1981  
Page 2

Karl Kannapel suggested that executive committee meetings be scheduled before federation meetings, usually held on the third Thursday of the month so that he can give a report on his agenda and the board can give their views on which way to vote.

Randy Myers reported that Falls Church is thinking of annexing our neighborhood, has even considered annexing to Route 50 and out to Bailey's Cross Roads. If residents were willing, the County and State might allow it but it would take a state referendum. We should look at pros and cons and see what the community wants. He will ask the mayor of Falls Church about curbs and gutters.

Construction on Greenway Blvd. has been held up until the fall due to county review, public works and the State Highway Commission. Jan Nelson was in favor of writing a letter of concern to Jim Scott. A motion was made and seconded to do this and the motion carried with one opposing vote. Jan will write the letter for the corresponding secretary to type. Another problem is which road to do next.

The next meeting will be held on April 22 at 8 p.m., at Dan Phillip's house. The meeting adjourned.

Respectfully submitted,

*Martha Sowers*

Martha Sowers  
Recording Secretary

Attending: Pat Mastroleo, Mike Arm, Dan Phillips, Stewart Sharpe, Marianne Gick, Mary Millsback, Marty Sowers, Karl Kannapel, Jan Nelson, Randy Myers, Charles Savich, Dave Johnson

Greenway Downs Citizens Association  
Executive Committee Meeting  
Dan Phillips' House  
April 22, 1981

The meeting began at 8 p.m. The minutes were read and approved. Dan Phillips read the letter sent to Jim Scott, our official protest of the delay of construction of curbs and gutters on Greenway Blvd. He also read the March 24 response from Jim Scott and the April 8 response from Patti Rounsevell of the County Neighborhood Improvement Program. Marianne Gick and Jan Nelson would like to see them meet with us.

The slate of officers of officers proposed by the nominating committee for 1981-1982 is as follows:

President	-	Mike Arm
Vice President	-	Jan Nelson
Treasurer	-	Elling Reich
Recording Secretary	-	Martha Sowers
Federation Delegate	-	Randy Myers
Board of Directors	-	Pat Mastroleo Mary Millsback Mac McGovern

A newsletter should go out around May 15 announcing the pot luck dinner to be held on May 20, also the roster of officers and what to bring to the dinner. Jim Scott and his wife are usually invited. The mayor of Falls Church could be invited as well. (Randy Myers will do the inviting.) Elling and Mary Reich volunteered to help set up at the dinner.

The treasurer made his report. We have \$414.54 on hand. A motion was made and seconded to approve the report and the motion carried.

Carl Kannapel will give his Federation Bulletin to the president when he finished with it. The secretary is to submit a form to the Federation at the same time dues are submitted.

The park clean-up is April 25. Dan Phillips will bring his pick-up truck. Mike Arm will write a letter to the Park Authority.

Real estate tax issues were briefly discussed.

Randy Myers reported on a newsletter mailed out by Jim Scott for which there is a mailing list. Recently there was news in this about the Childs tract on Route 50 Proposed development of this tract is controversial. Mike Arm received a copy of this newsletter from Mr. Scott.

Pat Mastroleo is in charge of the membership drive. News about it should be announced at the dinner. It should occur during a strict two-week period (circumstances permitting). Each volunteer will cover 10 or 15 houses.

Executive Committee Meeting  
April 22, 1981  
Page 2

Federation

Carl Kannapel will volunteer to serve on certain/committees which association officers prefer. A vote was taken and the committees, in order of preference, are:

- 1 Land Use Planning and Zoning Ordinances
- 2 Criminal Justice and Public Safety
- 3 County Budget
- 4 Parks and Recreation
- 5 Enviornmental Management
- 6 Education

The meeting adjourned at 9:20 p.m.

SUBJ: Public Hearing on Cable Television

The Fairfax County Consumer Protection Commission will conduct a public hearing on several cable television issues on Tuesday, April 21, 1981, at 8:00 P.M. in the school auditorium of Luther Jackson School at 3020 Gallows Road. All interested citizens and organizations are invited to attend and present testimony on any or all of the issues listed below.

The public hearing is part of the Commission's overall effort to study certain cable television issues of concern to the Board of Supervisors and, at the Board's request, to report on findings and recommendations in May of this year.

The issues on which the Commission is seeking public input are:

- Impact of technology on cable television;
- Potential for invasion of privacy and what should be done to protect against it;
- Impact of federal regulation on local authority over cable TV;
- Fairfax County's role in regulating cable television and operations;
- Impact of non-equity stock on subscribers;
- Advantages and disadvantages of ownership options, private investor owned, private cooperative-owned; government-owned;
- Appropriate forms of citizen involvement in the franchising process of the cable system;
- County and community uses of cable television.

All individuals and organizations who wish to testify are requested to contact the Department of Consumer Affairs at 691-2366, to be placed on the speaker's list. Speakers are requested to confine their remarks to five minutes. Written testimony will be accepted in lieu of oral testimony and speakers are requested to provide written copies of their testimony, if possible. For further information, contact the Department of Consumer Affairs, 4031 University Drive, Fairfax, Virginia, 22031. Phone 691-2366

Greenway Downs Citizens Association  
Executive Committee Meeting  
Mike Arm's House  
October 7, 1981

The meeting began at 8:05 p.m. Guests present were representatives from the County Dept. of Public Works, Joe Sunday and Elle Hockman; from the County Neighborhood Improvement Program, Patti Rounsevell, and from Jim Scott's office, Peter Intermaggio. Joe Sunday and Elle Hockman explained how the Greenway Blvd. construction project stood at the present time and what steps still needed to be taken before construction could begin. We were reassured as to the availability of funds to complete the project through Phase II (designwork and construction on Woodlawn, George Mason and Cameron). Funding for Phase III (designwork and construction on other streets such as Winchester Way) is uncertain. Here, improvements may have to be paid for out of general funds or a fiscal 1984 or '85 bond issue.

We were told that sixteen easements are needed from residents before construction can begin on Greenway. An easement gives permission for a contractor to come onto the property, do what needs to be done and restore the property to its original condition. Easements are attached to the property and are not affected by a change of owner. Among the easements needed are storm drainage, temporary grading, right of way and permanent storm drainage. Six months is an optimistic time frame for obtaining these easements. The County currently has Mr. Jim Ashton of the Land Acquisition Agency at work full-time trying to obtain needed easements. A resident reluctant to sign can hold up construction single-handed. When the County has the easements in hand, residents will receive notices. The project then goes to the bidding stage which lasts thirty days. The County advertises in three local papers. Contracting is monitored by the County. A needed permit is now being obtained from the Virginia Dept. of Highways. Patti Rounsevell announced that a meeting with residents of Phase II streets (Woodlawn, Cameron and George Mason) would be necessary soon. Phase II designwork should start soon and a contract for this will be awarded at the end of the month to the engineering firm of Patton, Harris, Rust and Guy.

Henry Rodriguez asked about promised park improvements which have not materialized. A parking barrier was approved at a public hearing and a bridge, trails, grading, general clean-up and a tot lot in Squirrel Woods were approved at another public hearing on a separate occasion. Peter Intermaggio of Jim Scott's office will take this up with Louis Cable of the Park Authority and find out for us.

The Japanese-style bridge at Monroe Street and Custis Parkway has disappeared. It was not in good condition.

Mr. Intermaggio went on to speak about the redistricting of Providence. In the east, Providence will lose to the Mason district and will grow toward McLean and Oakton. They hope to retain as many older neighborhoods as possible. He spoke further about the bond issues appearing on the November ballot, the school bond, the road bond and the detention center bond. In particular he mentioned the importance of passing the road bond as Richmond has finally allowed Fairfax County to take care of some of its own road problems. Local road problems were briefly discussed. He promised that Association officers would get on Jim Scott's newsletter mailing list.

Zoning violations were discussed such as rusting vehicles and separate rented apartments in a one-family home. Renting a room is not a zoning violation. Chances of having a complaint enforced against a rental apartment are almost nil. Enforcement depends on the inspector's persuasive powers. The County is trying to change the law so that it has more control over these situations. If you have a complaint, the zoning inspector is Natalie Becker (621-2215).

Executive Committee Meeting

October 7, 1981

barking  
Complaints against dogs seem to produce a no-win situation. The offending canine is usually victorious here.

The treasurer made his report and it was approved. We have \$876.66 on hand.

Pat Mastroleo reported on the membership drive. We have 284 members for this fiscal year. Memberships include 65 single, 49 not interested, 43 not contacted at all and 49 missing. Complimentary memberships go to Gary Lee on Bolling and Jim Scott. Pat will get the cards to these good people.

Congratulations Pat.

Plans were discussed for a directory. It was suggested that if Mac McGovern is willing to have his company do the directory without unacceptable advertising, we could accept his help.

The next meeting will be on Thursday, Nov. 5 at 8 p.m. at Jan Nelson's house.

The meeting adjourned at 10:30 p.m.

Greenway Downs Citizens Association  
Executive Committee Meeting  
Devonshire Library  
Nov. 23, 1981

Following a street meeting with County officials concerning curbs, gutters and storm sewers on Cameron, George Mason and Woodlawn, President Mike Arm called the executive committee meeting to order.

Elle Hockman of the County Dept. of Public Works told us that construction on Greenway Blvd. offered an opportunity for the County to introduce new street lights, orange ones, to our neighborhood. Street lights will be the first thing affected by the construction. This particular type of light uses a 5000 sodium bulb which is cheaper to operate and burns with an orange light. Its use would result in savings for the County. Presently street lights use a 3300 mercury vapor bulb which gives a cool fluorescent light; however just lately a brighter bulb, a 7000 mercury vapor has been introduced so you may have noticed that your street seemed brighter. The 7000 mercury vapor is cheaper to operate as well as being brighter. As to the proposed orange lights, the County needs one decision for the whole community by January or February. As street improvements go in, so will the new lights if we approve them. Even streets not scheduled for improvements may eventually receive the new orange lights. New communities automatically get the orange lights.

There followed discussion. Some residents questioned whether more brightness was a desirable thing and were not happy with the current brighter bulb. Comments about orange street lights were not entirely favorable. One suggestion was for the County to consider Metal Allied lights.

Elle Hockman will give us the names of some residential neighborhoods where the orange 5000 sodium lights are now in use so we can visit them and judge for ourselves. Information will be published in the Downs. A general meeting may be held. A decision will be needed by January or February.

Elling Reich motioned that we pay the federation dues of \$40. Mary Millsback seconded. After some discussion, the motion carried.

The next item of business was the Directory. Pat Mastroleo is donating the use of his electric typewriter but he feels the Association should pay for carbon film. There was debate about how many copies of the Directory should be printed and the cost. This issue was not resolved.

The meeting adjourned at 10 p.m. as it was time for the building to be shut down for the night.

Respectfully submitted,

*Martha Sowers*

Martha Sowers  
Recording Secretary

Attending: Mike Arm, Mac McGovern, Dave Johnson, Mary Millsback, Marty Sowers,  
Stewart Sharpe, Elling Reich, Marianne Gick, Pat Mastroleo
