5. Local Issue Updates:

- Sidewalk Update - Sidewalks were photographed and are being packaged up for VDOT to review.
- Lee Hwy Name Change. There are 5 names that have been suggested, and the GDCA board supports the name change, and requests that the road changes from "Highway" to "Boulevard"
- Arlington Mag issue - Featured Greenway Downs about that it is such a great neighborhood. A few errors were included which will be updated in the online version.
- Neighborhood Signs- Clean up around areas - neighborhood complaint. The county comes by a couple of times per year to mow. Woodlawn and Cavalier. We should look at options to clean up around signs. Will investigate it under the adopt-a-highway for litter cleanup.
- Items sent in by Greenway Downs Residents - Sidewalk issues; positive feedback about the email updates. Neighbor shared thanks for keeping the neighborhood informed.

6. Proposed Teams/Committees- One option is to organize by teams - topics below. We will consider and revisit this via email and discuss at the next meeting when the full board is present. Potentially use the Google Drive for organizing and tracking points of contact, dates, etc. Planning for spring
