3. Financials – good financial position; positive cash flow for 2020-2021 year.

4. Look at more convenient payment options (Iris)

7. Website options – maintenance; upgrades

8. Membership and outreach: How to better publicize events – make it interactive, etc.

9. John Mastenbrook Park – 5 trees being taken out by FFX for safety reasons. Bamboo on the slope is ok, but the part by the street they will treat. We will still need to figure out solution for the poison ivy. Research will be done to determine the best option once the County completes its work.
