

THE DOWNS

of GREENWAY DOWNS CITIZENS ASSOCIATION

NOVEMBER 1980

WHY YOU SHOULD VOTE

Maybe you think you have no choice for president. Maybe you think the election doesn't affect you. On November 4, however, county citizens will vote on a bond issue which directly affects Greenway Downs.

Bond issue no. 1 concerns the Neighborhood Improvement Program which provides funds for the construction and reconstruction of streets and sidewalks, including necessary curbs, gutters, culverts and drains in older neighborhoods.

Greenway Downs is one of the neighborhoods in this program so it is important that you voice your opinion on election day.

EXECUTIVE MEETINGS

The Greenway Downs Citizens Association has resumed its monthly meetings for the 1980-81 year. These meetings are open to the public. Anyone wanting information about the Association or its meetings can call Mary Millsback at 532-5824.

The next meeting of the officers of the Association is scheduled for Thursday night, the 20th of November at the house of the president, Dan Phillips, 2807 Cameron Road. Meeting time is 8:00 pm.

MRS. LOIS OWENS DIES

Last August Mrs. Lois Owens of Greenway Boulevard passed away. Many of you will remember Lois for her years of service to the Association and neighborhood. Lois was the recipient of the Distinguished Service Award from our Association in February of last year. The Association will miss her.

CAROLING PARTY

In years past, the Association has sponsored a Christmas Caroling party complete with bonfire, cider and doughnuts. Anyone interested in organizing such a party with the Association's sponsorship can call Stastia Nordall at 533-0132.

NEIGHBORHOOD BREAK-INS

Within the past several weeks there have been eighteen break-ins in the area of Woodlawn and Rosemary Lane. The community association representing that area is meeting with county police to discuss the problem and find solutions to avoid further occurrences. The meeting is tentatively scheduled for November 3rd at the Graham Road Methodist Church at 8:00 pm. Our neighborhood is welcome to attend this meeting. For further details, call Dan Phillips at 532-9488.
