

Greenway Downs Social Committee Meeting
Monday, February 26, 2018

Present:

Megan Dho
Sara Kelly
Jennifer Rankin
Dave Froman
Jessica Buckman

Megan devised a chart that illustrates all the Greenway Downs Social Committee activities for 2017-1018. The chart also includes the social events organized by Jefferson Village since we are often invited to participate in their activities and vice versa.

The Greenway Downs sponsored events begin with the Block Party in September and end with the Holiday Caroling and House Decorating Contest in December.

It is for this reason that this was our last official social committee meeting under the current leadership.

The only spring event on the calendar is the Easter Egg Hunt, which is sponsored by Jefferson Village. Jennifer is our liaison with JV and she will report back to the committee if we need to provide help or resources.

Both Megan and Sara have decided to step down as co-chairs and Jennifer has volunteered to take a co-chair lead-- the committee will actively seek another volunteer to be the other co-chair.

The committee noted that it was really important to go into the May Greenway Downs Citizens Association Meeting with an up and running social committee ready to recruit new members and get to work on the planning for the Block Party because the bulk of the planning and advertising is done in the summer months.

The social committee noted two methods of communicating with Greenway Downs residents.

- 1) Nextdoor
- 2) The Greenway Downs email list (compiled from membership forms every two years)

Each has its specific pros and cons—and even in combination do not reach all residents in Greenway Downs.

Social Committee volunteers are on a specific email list.

ACTION ITEMS

Megan will leave the sandwich boards out for Sara to pick up.

Sara will send Jennifer a complete email list of current social committee members so she can set up communications.

Jennifer will let Sara know if JV asks us for help so she can put it out on the general Greenway Downs email list.

Sara will seek permission from the Board to allow Jennifer access to the Greenway Downs email list to communicate future social committee information.
